

# Stoddard Solvent

## General Description

Stoddard Solvent is a mineral spirits solvent used for cleaning and flushing metal parts.

Stoddard Solvent is a mild odor, aliphatic hydrocarbon solvent meeting the Rule 66 compositional requirements.

## Typical Applications

For use in automatic circulating cleaners, hand parts cleaners, and for general cleaning and flushing of parts containing petroleum type residues.

## Typical Properties

API Gravity	51
Weight per Gal. (lbs.)	6.4
Flash Point, °F	105
Odor	Mild
Color	Clear/Almost Clear
Aromatics, %	1 (maximum = 8)
Distillation, °F:	
IBP	315
10%	325
50%	340
90%	360
Dry Point	385

The typical properties listed reflect the general characteristics of the product, and are not manufacturing specifications. Normal batch-to-batch variations should be expected.
