

WHEN YOU NEED TO KEEP WORKING, YOU NEED THE CENEX TOTAL PROTECTION PLAN® WARRANTY.

CHS will pay costs, including installation and labor, to repair or replace faulty parts that fail during normal use.

DIESEL ENGINE

Coverage limited to the internal lubricated parts.

Not Covered: Cylinder head assembly, valves/valve guides, oil pump and oil cooler, engine block, oil seals, oil filters, turbocharger and non-lubricated parts.

DIESEL FUEL INJECTION PUMP AND INJECTORS

Not Covered: Fuel line and filters

TRANSMISSION/HYDRAULIC/FINAL DIFFERENTIAL/HUBS

Not Covered: Auxiliary equipment

THE PLAN IS SIMPLE. ALL YOU HAVE TO DO IS:

Request a warranty application form from an authorized dealer; submit completed form with enrollment fee.

Perform regular maintenance procedures.

Submit a used fluid sample from each oil change or drain according to your warranty agreement. (In return, you'll receive a LubeScan® report that will help you perform timely maintenance to avoid downtime.)

Use Cenex products exclusively.

Retain proof of purchase for all Cenex products.

Avoid actions that would void coverage, such as abuse or unauthorized product use.

For great coverage and a great value, ask your dealer about the Cenex Total Protection Plan® Warranty today.

Visit www.cenex.com/tpp for a list of distributors or to access complete details on warranty coverage.

OUR ENERGY COMES THROUGH®

PROTECTION + PERFORMANCE = PEACE OF MIND

Consider protecting all your equipment with the Cenex Total Protection Plan®. It's a small investment to make in exchange for valuable coverage and peace of mind. You get unsurpassed coverage while helping to ensure that only high-quality energy products go into your equipment.

Think of it as a no-fault insurance policy — one that helps keep you in the fields when you need to be there. There's no deductible, which can really pay off and help keep things moving during crunch times like planting and harvest.

When you use Ruby Fieldmaster® Premium Diesel fuels and Cenex® lubricants exclusively, you get up to 10 years or 10,000 hours of engine and transmission coverage. You also have the option of exclusively using Maxtron® lubricants — with any fuel you choose — for the same great coverage.

Whether you buy new or used equipment, you simply won't find a better way to protect your investment.

WHAT MAKES THIS THE BEST WARRANTY IN THE INDUSTRY?

Covers new equipment for up to 10 years or 10,000 hours and used equipment for up to 8 years or 8,000 hours

Covers a wide variety of equipment

Extends protection above and beyond your equipment manufacturer's warranty

Has no deductible

Includes periodic maintenance reminders to help keep your equipment in top condition

Helps avoid downtime through LubeScan® fluid sample report that provides insight into internal equipment condition

Transfers to purchasers of your equipment

Provides all this protection for just \$299 (new equipment) or \$399 (used equipment)

Includes periodic money saving coupons for Cenex Product

Used equipment warranty requires LubeScan® fluid sample analysis to verify equipment is in good condition before warranty is activated.

CENEX PRODUCTS COME THROUGH FOR YOU.

Cenex products are indispensable for keeping your equipment running at peak performance, even under the toughest conditions. Independent tests prove that using Cenex premium lubricants with premium fuels reduces the need for repairs and extends your engine life.

Cenex lubricants are custom formulated to meet or exceed all major manufacturers' requirements, and they're industry certified to stand up to all the demands of farming. Ruby Fieldmaster® Premium Diesel fuels are also specially formulated for agriculture, and proven to deliver 4.5% more power, quicker starts and better fuel economy.

³Must exclusively use both Ruby Fieldmaster® premium diesel fuel and covered lubricant fluids to be eligible. Warranty is not transferable.

⁴Operator must exclusively use both a Cenex branded lubricant product and a Cenex branded transmission/hydraulic fluid listed in the Covered Fluid column to be eligible for the TPP Warranty on Forestry Equipment.
