TO BE COMPLETED BY APPLICANT

Agricultural Equipment

Type of unit to be covered

- 25+ HP TRACTOR TELEHANDLER COMBINE HARVESTER SPRAYER MOWER CONDITIONER
 BALE WAGON HAY CRUISER SWATHER CROP CRUISER COTTON PICKER/STRIPPER WINDROWER STATIONARY EQUIPMENT

Components to be covered – Check one option in each applicable section. (To Be Completed by Warranty Applicant)

DIESEL ENGINE:

- 9 years/9,000 hours* Superlube TMS® or Superlube 518®
 10 years/10,000 hours Maxtron® DEO or Maxtron® Enviro-EDGE®

DIESEL INJECTION PUMP/INJECTORS:

- 9 years/9,000 hours* diesel injection pump coverage, 5 years/5,000 hours diesel injector coverage, with Cenex® Ruby Fieldmaster® products up to B15 (available through authorized Cenex® Ruby Fieldmaster® Distributors only)

TRANSMISSION/HYDRAULIC/FINAL DRIVE (25+ HP tractors and telehandlers only):

- 9 years/9,000 hours* Qwiklift® HTB®, BioMax™ THF, Power Transmission Fluid or Circle3® STOU Fluid
 10 years/10,000 hours Maxtron® THF+ or Maxtron® Power Transmission Fluid MV

HYDROSTATS (25+ HP tractors and telehandlers only):

- 10 years/10,000 hours Maxtron® THF+

HYDRAULICS (25+ HP tractors and telehandlers only):

- 9 years/9,000 hours* Qwiklift® HTB®
 10 years/10,000 hours Maxtron® THF+

DIFFERENTIAL/HUBS (25+ HP tractors and telehandlers only):

- 6 years/6,000 hours Maxtron® GL or MP Gear Lube

*The term of the Cenex Total Protection Plan® for all Components of the previously listed Agricultural Equipment (except Differential/Hubs and Diesel Injectors) will be extended to 10 years/10,000 hours if Warranty Applicant uses exclusively both a Cenex lubricant product as listed and Cenex® Ruby Fieldmaster® Premium Diesel Fuel in such Agricultural Equipment.

Stationary Agricultural Equipment

- DIESEL ENGINE:** 4 years/8,000 hours Superlube TMS®, Superlube 518®, Maxtron® DEO or Maxtron® Enviro-EDGE®
 DIESEL INJECTION PUMP/INJECTORS: 4 years/8,000 hours Cenex® Ruby Fieldmaster® products up to B15 with 4 years/4,000 hours injector coverage (available through authorized Cenex® Ruby Fieldmaster® Distributors only)
 NATURAL GAS/LP ENGINE: 3 years/7,000 hours Irriflex®, NGE0, Maxtron® PCMO or Auto Gold®

Forestry Equipment

Type of unit to be covered

- FORWARDER SLASHER CHIPPER DELIMBER COLLECTOR CHOPPER OTHER MOBILE FORESTRY EQUIPMENT

Component to be covered

- DIESEL ENGINE:** 4 years/6,000 hours Superlube TMS®, Maxtron® DEO or Maxtron® Enviro-EDGE®

Note: Operator must exclusively use both a Cenex® brand engine oil product and a Cenex® brand transmission/hydraulic fluid listed in the Covered Fluid column to be eligible for the Cenex Total Protection Plan® on Forestry Equipment.

TO BE COMPLETED BY AUTHORIZED DISTRIBUTOR

Cenex Total Protection Plan® - New Equipment Agreement of Responsibility

The Energy Division of CHS offers a Cenex Total Protection Plan® program (the “TPP Warranty” or “Warranty”) for eligible operators of eligible new equipment (“Agricultural Equipment” and “Stationary Agricultural Equipment” as further described below). Eligible operators shall include individuals and entities that either own and operate, or lease and operate, such eligible new equipment (in either case referred to hereinafter as an “Operator”).

APPLICATION

An Operator of eligible new Agricultural Equipment or Stationary Agricultural Equipment that desires to obtain the Cenex Total Protection Plan® on a Component(s) of said equipment, must submit the following to a CHS authorized distributor from which Operator purchases the applicable lubricants and fuel products described below as “Covered Fluids”:

- (1) A New Equipment Warranty Application and Agreement of Responsibility (the “Application and Agreement”) not later than:
 - For Agricultural Equipment, the earlier of (a) 6 months following the date of acquisition of such new equipment, or (b) 400 hours after placing such new equipment in service.
 - For Stationary Agricultural Equipment, the earlier of (a) 60 days following the date of acquisition of such new Stationary Agricultural Equipment, or (b) 750 hours after placing such new Stationary Agricultural Equipment in service; and
- (2) A check or money order from the Operator in the amount of \$299 payable to CHS.

CHS RESERVES THE RIGHT, IN ITS SOLE DISCRETION, TO APPROVE OR DISAPPROVE ANY APPLICATION AND AGREEMENT SUBMITTED FOR APPROVAL. CHS will send the Operator a letter acknowledging receipt of application materials. If approved, then CHS will send throughout the warranty term other relevant communication as well as periodic valuable coupons for Covered Fluids and LubeScan® oil analysis sample kits.

APPROVAL PROCESS

Upon its receipt of an Operator’s submitted Application and Agreement, CHS will review the Application and Agreement. If CHS approves the Application and Agreement, CHS will return to the Operator written notice of CHS’ approval (the “Approval”). If CHS does not approve the Application and Agreement, Operator will receive written notice and a return of the \$299 application fee.

WARRANTY

Upon approval in writing of such Application and Agreement by CHS (as shown by return of the Approval to the Operator), CHS warrants to the Operator, for the term set forth in the “Warranty Term” column of the tables below (the “Warranty Term”), that the lubricant(s) and fuel product(s) set forth in the “Covered Fluid” column of the tables below (each a “Covered Fluid”, collectively, the CHS “Covered Fluids”) are fit for the purpose for which they are ordinarily intended when used in the components set forth in the “Component” column of the tables below (each a “Component”, collectively, the “Components”) of new Agricultural Equipment and new Stationary Agricultural Equipment, subject to all of the requirements and limitations contained herein. The Warranty Term shall begin on the date of acquisition of the eligible new Agricultural Equipment or Stationary Agricultural Equipment and extend for the number of years so indicated or until the equipment has been in service for the number of hours so indicated, whichever occurs first.

AGRICULTURAL EQUIPMENT: TRACTORS (25+ HORSEPOWER) AND TELEHANDLERS

Component	Covered Fluid	Warranty Term
Diesel Engine	Superlube TMS® or Superlube 518®	9 years/9,000 hours**
	Maxtron® DEO or Maxtron® Enviro-EDGE®	10 years/10,000 hours
Diesel Injection Pump*	Cenex® Ruby Fieldmaster® products up to B15	9 years/9,000 hours**
Diesel Injectors*	Cenex® Ruby Fieldmaster® products up to B15	5 years/5,000 hours
Trans/Hyd/Final Drive	Qwiklift® HTB®, BioMax™ THF, Power Trans Fluid or Circle3® STOU Fluid	9 years/9,000 hours**
	Maxtron® THF+ or Maxtron® Power Transmission Fluid MV	10 years/10,000 hours
Hydrostats	Maxtron® THF+	10 years/10,000 hours
Hydraulics	Qwiklift® HTB®	9 years/9,000 hours**
	Maxtron® THF+	10 years/10,000 hours
Differential/Hubs	Maxtron® GL or MP Gear Lube	6 years/6,000 hours

*Cenex Total Protection Plan® for these Components is available only through authorized Cenex® Ruby Fieldmaster® Distributors.

AGRICULTURAL EQUIPMENT OTHER THAN TRACTORS AND TELEHANDLERS: COMBINES, HARVESTERS, SPRAYERS, MOWER CONDITIONERS, BALE WAGONS, HAY CRUISERS, SWATHERS, CROP CRUISERS, COTTON PICKERS/STRIPPERS, WINDROWERS

Component	Covered Fluid	Warranty Term
Diesel Engine	Superlube TMS® or Superlube 518®	9 years/9,000 hours**
	Maxtron® DEO or Maxtron® Enviro-EDGE®	10 years/10,000 hours
Diesel Injection Pump*	Cenex® Ruby Fieldmaster® products up to B15	9 years/9,000 hours**
Diesel Injectors*	Cenex® Ruby Fieldmaster® products up to B15	5 years/5,000 hours

*Cenex Total Protection Plan® for these Components is available only through authorized Cenex® Ruby Fieldmaster® Distributors.

**Note: The term of the Cenex Total Protection Plan® for all Components of the above Agricultural Equipment (except Differential/Hubs and Diesel Injectors) will be extended to 10 years/10,000 hours if Buyer uses exclusively both a lubricant product listed in the Covered Fluid column above and Cenex® Ruby Fieldmaster® Premium Ag Diesel Fuel in such Agricultural Equipment.

STATIONARY AGRICULTURAL EQUIPMENT

Component	Covered Fluid	Warranty Term
Diesel Engine	Superlube TMS®, Superlube 518®, Maxtron® DEO or Maxtron® Enviro-EDGE®	4 years/8,000 hours
Diesel Injection Pump*	Cenex® Ruby Fieldmaster® products up to B15	4 years/8,000 hours
Diesel Injectors*	Cenex® Ruby Fieldmaster® products up to B15	4 years/4,000 hours
Natural Gas/LP Engine	Irriflex®, NGENO, Maxtron® PCMO or Auto Gold®	3 years/7,000 hours

*Cenex Total Protection Plan® for these Components is available only through authorized Cenex® Ruby Fieldmaster® Distributors.

FORESTRY EQUIPMENT: FORWARDERS, SLASHERS, CHIPPERS, DELIMBERS, COLLECTORS AND CHOPPERS

Component	Covered Fluid	Warranty Term
Diesel Engine	Superlube TMS®, Maxtron® DEO or Maxtron® Enviro-EDGE®	4 years/6,000 hours

Note: Operator must exclusively use both a Cenex® brand engine oil product and a Cenex® brand transmission/hydraulic fluid listed in the Covered Fluid column above to be eligible for the Cenex Total Protection Plan® on Forestry Equipment.

PARTS COVERED BY THIS WARRANTY

DIESEL ENGINE: Rocker arm shaft, cylinder liner, valve lifter, push rods, pistons, rings, wrist pins, connecting rod and crankshaft, camshaft and bearings, and timing gear.

DIESEL INJECTION PUMP: Metering valve, transfer pump, pressure regulator, distributor head, hydraulic head, delivery valve, cam ring, plungers, bearing and driveshaft.

DIESEL INJECTOR (Agricultural Equipment: 25+ HP tractors and telehandlers only): Mechanical parts.

TRANSMISSION, HYDRAULIC, FINAL DRIVE, DIFFERENTIAL/HUBS (Agricultural Equipment: 25+ HP tractors and telehandlers only): Gears, shafts, bearings, wet clutches, oil-immersed wet brake and clutch facing, hydraulic pumps and valves.

HYDROSTAT (Agricultural Equipment: 25+ HP tractors and telehandlers only): Mechanical parts.

PARTS NOT COVERED BY THIS WARRANTY

DIESEL ENGINE: Cylinder head assembly, valves/valve guides, oil pump and oil cooler, engine block, oil seals, oil filters, turbocharger, non-lubricated parts.

DIESEL INJECTION SYSTEM: Fuel lines, filters.

TRANSMISSION, HYDRAULIC, FINAL DRIVE, DIFFERENTIAL/HUBS, HYDROSTAT (Agricultural Equipment: 25+ HP tractors and telehandlers only): Auxiliary equipment, including added implements and their associated valves and pumps; bogie and idler wheels; reaction/torsion arms; hydraulic lines; couplers; and cab, seating, and steering hydraulics.

OBLIGATIONS OF OPERATOR

1. Proper Fuel, Lubricants and Filters: Operator agrees to use the proper products approved by CHS, including Covered Fluids, filters and additives, exclusively in the Component covered by the Warranty. Operator agrees to contact the authorized dealer from which Operator purchases the applicable Covered Fluid or CHS for assistance and/or confirmation of product selection. Operator agrees to retain all receipts from purchases of Covered Fluids, filters and additives. *Biodiesel conforming to the ASTM D 6751 provisional specification, may be used up to 15% in Cenex® Ruby Fieldmaster® Premium Diesel fuel products.* **Use of any products not approved by CHS, past the expiration date of Original Equipment Manufacturer warranty, will void the Warranty. Based off Original Equipment Manufacturer warranty, once the equipment reaches 2 years and/or recommended oil drain, Operator must replace engine, transmission/hydraulic/final drive, differential/hub fluids with the applicable Covered Fluids,** provided however, that Operator may lower the pour point of Cenex® Ruby Fieldmaster® Premium Ag Diesel Fuel by adding No. 1 diesel fuel or kerosene. More than 50% dilution of Cenex® Ruby Fieldmaster® Premium Ag Diesel Fuel with No. 1 diesel fuel or kerosene requires the addition of an approved CHS additive at the recommended treat rate. Any and all diesel fuel storage tanks used to store Cenex® Ruby Fieldmaster® Premium Ag Diesel Fuel must be equipped with a fuel filter approved by CHS.

2. Fluid Samples:

- For engines covered by the Warranty, Operator agrees to submit engine lubricant sample at the time of each original equipment manufacturer-recommended lubricant change, but at least one time per year beginning on the first anniversary of the acquisition date of the equipment, at the time of making a claim under the Warranty and at any time requested by CHS.
- For transmission/hydraulic/final drive and hydrostat Warranty coverage (25+ Horsepower Tractors and Telehandlers only), Operator agrees to submit lubricant samples every 300 hours of service, but in any event, at least one time per year beginning on the first anniversary of the acquisition date of the equipment, at the time of making a claim under the Warranty and at any time requested by CHS. If the transmission and hydraulic are separate systems, then separate samples are needed.
- For differential/hubs Warranty coverage (25+ Horsepower Tractors and Telehandlers only), Operator agrees to submit lubricant samples from each differential/hub (commonly four per tractor) one time per year beginning on the first anniversary of the acquisition date of the equipment, at the time of making a claim under the Warranty and at any time requested by CHS.
- For diesel injection pump/diesel injectors Warranty coverage, diesel fuel pumps and injectors are not considered covered under the Warranty until completion of the approval process and the operator has replaced the fuel used in the eligible equipment with the applicable Covered Fluids. Operator agrees to submit fuel samples and receipts of fuel purchases from an authorized Cenex® Ruby Fieldmaster® distributor at the time of making a claim under the Warranty and at any time requested by CHS.
- Authorized fluid sample kits must be purchased from authorized dealers which sell CHS Covered Fluids.

3. Maintenance: Operator agrees to have Components covered by the Warranty maintained in accordance with the original equipment manufacturer's recommendations and/or recommendations made in writing by CHS. Operator agrees to retain all receipts for maintenance.

4. Corrective Action: Operator agrees to take reasonable corrective action including LubeScan® oil analysis diagnosis recommendations when requested by CHS. If corrective action involves more than minor repair or maintenance, Operator should contact the authorized dealer from which Operator purchases the applicable Covered Fluid. Operator agrees to retain all receipts for corrective action.

CLAIM PROCESS

In the event of failure, or signs of failure, of a Component covered by the Warranty, Operator agrees to notify the authorized distributor from which Operator purchases the applicable Covered Fluid immediately. A sample of the Covered Fluid must be sent to CHS. In no event shall such notification be made to the authorized distributor later than one (1) month following expiration of the Warranty Term. The authorized distributor shall notify CHS which must give Operator authorization prior to repair or replacement of the internal part or parts set forth above of such Component. Such repair will be at CHS' expense. If, in the exclusive judgment of CHS, the internal part or parts of such Component are unable to be repaired, such internal part or parts will be replaced at CHS' expense. All Warranty service must be performed at service centers approved by CHS. Any parts replaced must be retained by the service center for 90 days and must be made available to CHS upon request. After service has been completed and Covered Fluids replaced, Operator must submit the invoice to CHS for payment within 90 days from final invoice date. In the event Operator has any internal part or parts repaired or replaced without prior authorization by CHS, CHS reserves the right not to pay for such repair or replacement. Operator agrees to pursue applicable manufacturer and/or retailer warranties. **Operator hereby assigns to CHS the right to make a claim for breach of the equipment manufacturer's warranty, if applicable.**

LIMITATIONS

CHS does not warrant (a) any product which is not a Covered Fluid, (b) failure of Component caused by or resulting from, directly or indirectly, use or storage of products other than products approved by CHS, including Covered Fluids, filters and additives, in Component or in fuel storage tank, (c) failure of Component caused by or resulting from, directly or indirectly, failure to use the Covered Fluid and/or equipment in a suitable environment, (d) failure of Component caused by or resulting from, directly or indirectly, lack of recommended maintenance of the Component or failure to take recommended corrective action including LubeScan® diagnosis recommendations indirectly, use of the equipment for a purpose other than that for which it was designed, (e) failure of Component caused by or resulting from, directly or indirectly, disasters such as fire, flood, wind and lightning, (f) failure of Component caused by or resulting from, directly or indirectly, unauthorized or improper modification or repair of the Covered Fluid and/or Component, (g) failure of Component caused by or resulting from, directly or indirectly, presence of foreign material in Component, (h) failure of Component caused by or resulting from, directly or indirectly, any other abuse or misuse, or (i) nonagricultural use. **The Warranty does not cover tractors with diesel engines less than 25 horsepower.**

DISCLAIMER OF WARRANTY

THE FOREGOING WARRANTY IS IN LIEU OF ALL OTHER WARRANTIES, EXPRESS OR IMPLIED, INCLUDING BUT NOT LIMITED TO THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE.

LIMITATION OF REMEDIES

As to remedies available to Operator for any and all losses or damages, including losses or damages arising from a claim of breach of warranty, breach of contract, negligence or strict liability, Operator's exclusive remedy shall be limited to the replacement value of the failed internal part or parts of the Component covered by this Warranty. UNDER NO CIRCUMSTANCES SHALL CHS BE LIABLE FOR ANY INDIRECT, SPECIAL, INCIDENTAL, CONSEQUENTIAL OR PUNITIVE DAMAGES BASED UPON ANY LEGAL THEORY, INCLUDING BUT NOT LIMITED TO, LOST PROFITS, LOSS OF USE OF EQUIPMENT, COST OF ANY SUBSTITUTE EQUIPMENT, DOWNTIME, COST OF HAULING AND COST OF LODGING.

ENTIRE AGREEMENT, NO OTHER WARRANTIES

Unless modified in writing and signed by both parties, the Warranty, together with the Application and Agreement and the Approval, is understood to be the complete and exclusive agreement between the parties, superseding all prior agreements, oral or written, and all other communications between CHS and Operator, relating to the subject matter of the Warranty. No employee of CHS or any other party is authorized to make any warranties in addition to that made herein.

TRANSFER OF WARRANTY

The Warranty on Agricultural Equipment may be transferred by Operator during the Warranty Term to a subsequent party who meets the requirements of an Operator (a "Transferee") for the remainder of the Warranty Term so long as Operator has complied with its obligations under the Application and Agreement and there is at least 6 months left in the Warranty term. A Transferee of eligible Agricultural Equipment that desires to obtain a transfer of the Cenex Total Protection Plan® on a Component(s) of such Agricultural Equipment must submit a Warranty Transfer Request and Agreement of Responsibility (the "Transfer and Agreement") to a dealer authorized by CHS from which Transferee purchases the applicable Covered Fluids within thirty (30) days of Transferee's acquisition of equipment already covered by the Cenex Total Protection Plan®. Upon its receipt of a Transferee's submitted Transfer and Agreement, CHS will review the Transfer and Agreement. If CHS approves, CHS will return to the Transferee written notice of approval (the "Transfer Approval"). Upon approval in writing of such Transfer and Agreement by CHS (as shown by return of the Transfer Approval to Transferee), the Transferee becomes an Operator for purposes of the remaining term of this Warranty. **The Warranty on Stationary Agricultural Equipment is not transferable.**

Operator hereby acknowledges that he/she has read and understands the terms of the Cenex Total Protection Plan® New Equipment Warranty and this Application and Agreement. Operator hereby certifies that the date of manufacture and hours of service of the equipment set forth on the Application are correct. Operator hereby agrees to adhere to the terms of this Application and Agreement and understands that failure to do so will invalidate the Warranty.

Cenex Total Protection Plan®

Partial Summary of Obligations and Commitment

New Equipment

This summary is intended only to describe the Warranty in general terms and is not a complete description of the terms and conditions of the Warranty. See the preceding Application and Agreement for the complete terms, conditions and limitations of the Warranty. In the event of any conflict between: (1) this summary and (2) the Application and Agreement, the Application and Agreement shall govern and control.

Applicant MUST initial on each line below:

- _____ 1. In accordance with the Agreement of Responsibility, I agree to submit used fluid samples for each warranted compartment or component as listed below:
- **Engine:** At each oil change or drain, or at minimum annually
 - **Transmission:** Every 300 hours, or at minimum annually
 - **Hydraulics:** Every 300 hours, or at minimum annually
 - **Differentials and Hubs:** Annually
 - All other covered compartments, excluding fuel-related components: Annually
- _____ 2. In accordance with the Agreement of Responsibility, I understand that using any products not approved by CHS, past the expiration date of the Original Equipment Manufacturer's warranty, will void this Warranty.
- _____ 3. In accordance with the Agreement of Responsibility, I agree to replace the engine, transmission/hydraulic/final drive, differential/hub fluids with applicable Cenex® fluids once the equipment reaches two years and/or recommended oil drain, whichever comes first, based on the Original Equipment Manufacturer's warranty.
- _____ 4. In accordance with the Agreement of Responsibility, I agree to use only Cenex® brand lubricant products from authorized Cenex® dealers in all warranted components for the duration of the warranty contract.
- _____ 5. In accordance with the Agreement of Responsibility, I agree to retain proofs-of-purchase of original receipts for all Cenex® products used in accordance with this warranty agreement.
- _____ 6. In accordance with the Agreement of Responsibility, I agree to have components covered by the Warranty maintained in accordance with the original equipment manufacturer's recommendations and those made in writing by CHS.
- _____ 7. In accordance with the Agreement of Responsibility, I agree to take reasonable corrective action, including following LubeScan® oil analysis diagnosis recommendations, when requested by CHS.
- _____ 8. In accordance with the Agreement of Responsibility, I agree abuse or misuse of warranted components and nonagricultural use voids warranty agreement.
