

BIG CHECK. BIG COVERAGE. BIG RELIEF. POWERED LOCALLY.®

Darrel Werre (left) received a check for \$22,174.75 from Heather Fiala, Energy Sales at Agtegra Cooperative in Oakes, N.D., for Cenex Total Protection Plan® coverage on his Case-IH Steiger 600 Quadtrac.

After over 59 years of farming in Ellendale, North Dakota, Darrel Werre has seen more than a little water pass under the bridge, as he puts it. In that time, he has learned a thing or two about how a smooth operation relies on smooth-running equipment. That's why he didn't wait to take his 2012 Case-IH Steiger 600 Quadtrac in to the dealership when he noticed oil leaking out of the seals of the trumpet housing last March.

Mechanics found that a 3-inch lock nut had worked loose and ended up ruining the bearings on all four axels and depositing metal filings in the trumpet housing. The cost of the repairs was over \$20,000. Fortunately, Werre has been using Cenex® fuels and lubricants for decades and has his equipment enrolled in the Cenex Total Protection Plan®, which extends manufacturers' warranties by providing coverage for up to 10 years or 10,000 hours on new equipment, and up to 8 years or 8,000 hours on used equipment.

So, when Werre's main fieldwork tractor went down, the Cenex Total Protection Plan® stepped up and provided him with \$22,174.75 to get his tractor back in the field. "If a guy didn't have the Cenex Total Protection Plan®, I don't know — the repairs are so expensive, they'd just about financially ruin you," Werre said.

With help from Agtegra Cooperative and the hassle-free claims process, Werre was able to get his tractor up and running again with minimal headaches. "Cenex® took care of it in a timely fashion," Werre said. "They took good care of me."

Werre would recommend the Cenex Total Protection Plan® to other farmers as well. "Unless you want to spend a lot of money on a warranty, you better go with the Cenex Total Protection Plan®," he said. "That's the best deal in town."

"UNLESS YOU WANT TO SPEND A LOT OF MONEY ON A WARRANTY, YOU BETTER GO WITH THE CENEX TOTAL PROTECTION PLAN®. THAT'S THE BEST DEAL IN TOWN."

— DARREL WERRE, ELLENDALE, N.D.

WHAT IS THE CENEX TOTAL PROTECTION PLAN®?

The Cenex Total Protection Plan® extends beyond manufacturers' warranties and provides coverage to farmers who use premium Cenex® fuels and lubricants. It covers new equipment for up to 10 years or 10,000 hours and used equipment for up to 8 years or 8,000 hours, with no deductible.

Give your certified Cenex® distributor a call today and they'll help you determine the right energy products and protection for all your equipment. You can also visit cenex.com for more information or to enroll.
