

BIG CHECK. BIG COVERAGE. BIG RELIEF. POWERED LOCALLY.®

Larry Andersen (center) and Mark Young (left) received a check for \$68,149.60 from Heather Fiala, Energy Sales at Agtegra Cooperative in Oakes, N.D., for Cenex Total Protection Plan® coverage on a Case-IH 600 Quadtrac.

Larry Andersen from Oakes, North Dakota, has been using Cenex® fuels and lubricants and enrolling his equipment in the Cenex Total Protection Plan® for the past 20 years because of the quality of the products. Plus, the protection plan provides Andersen peace of mind by extending manufacturers' warranties and providing coverage for up to 10 years or 10,000 hours on new equipment, and up to 8 years or 8,000 hours on used equipment.

That's why he wasn't too worried last January when an oil sample analysis indicated metal particles and contaminants in the transmission of his Case-IH 600 Quadtrac. When a second sample confirmed that something was wrong, it was time to get the tractor looked at because Andersen certainly didn't want the tractor breaking down during spring's work.

Mechanics found that three of the shafts and the bearings in the transmission were bad and needed replacing. Unfortunately,

some of the shafts were on back order, and there was no guarantee that the tractor would be ready by spring. Agtegra Cooperative and the Cenex Total Protection Plan® helped cover that problem too. "Cenex® agreed to let us put in the remanufactured transmission, which was a plus for us to get the tractor back home in time for spring's work," Andersen said.

Agtegra Cooperative and the hassle-free claims process ensured Andersen's equipment was ready when it was time to work. "There were no problems, no issues. They just said to get it fixed," Andersen explained. "It's very nice to work with those kinds of people, and I've always been happy with the products, and you can't beat the warranty," Andersen said. "Cenex stands behind their product."

"THERE WERE NO PROBLEMS, NO ISSUES. THEY JUST SAID TO GET IT FIXED. VERY EASY TO WORK WITH. VERY NICE TO WORK WITH THOSE KINDS OF PEOPLE."

– LARRY ANDERSEN, OAKES, N.D.

WHAT IS THE CENEX TOTAL PROTECTION PLAN®?

The Cenex Total Protection Plan® extends beyond manufacturers' warranties and provides coverage to farmers who use premium Cenex® fuels and lubricants. It covers new equipment for up to 10 years or 10,000 hours and used equipment for up to 8 years or 8,000 hours, with no deductible.

Give your certified Cenex® distributor a call today and they'll help you determine the right energy products and protection for all your equipment. You can also visit cenex.com for more information or to enroll.
